A YOUNG GIRL'S FORTUNE

AN INTERESTING SKETCH.

AN INTERESTING SKETCH.

Nothing appeals so strongly to a mother's affection as her daughter just budding into womanhood. Following is an instance: "Our daughter, Blanche, now 15 years of age, had been terribly afficied with nervousness, and had lost the entire use of her right arm. She was in such a condition that we had to keep her from school and abandon her music lessons. In fact, we feared St. Vitus dance, and are positive but for an invaluable remedy so would have had that terrible affliction. We had employed physicians, but she received no bonefit from them. The first of last August she weighed but 75 pounds, and although she has taken only three bottles of Nervine she now weighs 106 pounds; her nervousness and symptoms of St. Vitus dance are entirely gone, she attends school regularly, and studies with comfort and ease. She has recovered complete use of her arm, her appetite is splendid, and no money could procure for our daughter the health Dr. Miles' Nervine has brought her.

When my brother recommended the remedy I had no faith in patent medicines, and would not listen to him, but as a last resort he sent us a bottle, we began giving it to Blanche, and the effect was almost immediworld not listen to him, our as a bottle, we began giving it to Blanche, and the effect was almost immediate."—Mrs. R. Dr. Milos' Restorative Nervine is sold by all druggists on a positive guarantee, or sent direct by the Dr. Miles Medical Co., E.khart, Ind. on receipt of price, \$1 per bottle, six bottles for \$5, express prepaid, it is positively free from oplates or deargerous drugs.

The silver wing of the Republi can State Convention unanimously adopted the 'oliowing platform:

The convention enderses and adopts the platform of the Republicas State Convention, held at Va city on the 30 of April last, as fel-

Resolved, That we condemn the Republican party of the Eastern states and the administration of President Harrison, insofar as they have failed to accomplish the complete remonetization of silver, and to enact laws providing for the free and unrestricted coinage of

that metal. Resolved, That the restoration of silver to the place it peupled previous to the passage of the Mint Act of 1873, is essential to the prosperity of the country and paramount to all other political considerations. The legislation which robbed silver of its money functions and denied to the owner of silver bullion the right to have the same coined into money upon the some terms and conditions which apply to the coinage of gold, reduced the money of ultimate redemption or payment, about onehalf, and enabled the owners of money and coligations payable in money to monopolize the coin of

the commercial world. Resolved, That the people of Nevada are in favor of the coinage of silver upon the same conditions which apply to the coinage of gold, and they are opposed to elevating any person to office who is not known to be unequivocally in favor of opening the Mints of the United States to the free and unlimited coinage of silver.

In view of the unsatisfactory attitude of President Harrison to the aramount issue of the remoneti-. tion of silver, this convention w. I make no neminations for Presidential electors and the State Central Committee to be appointed by CARSON HAY YARD. this Convention shall have no authority to put in nomination elec-

> The Cenvention cordially endorses the vigorous efforts of our Senators and Representatives to secure the free and unlimited coinage of silver, and the educational work that they have done in presenting the true issue between the money powers and the bondholders and laborers and producers of

And we favor the continuation of agitation and contention for the free and unumited comage of silver at the present ratio of 16 to 1, for their own benefit and for the benefit of the people at large miners, farmers, laborers and mechanics.

The citizens of Nevada, representatives of the various silver leagues, irrespective of past party affiliations, in convention assembled, do set forth the following declaration of minciples:

First. We demand the full remonetizatian of silver and the free Photographs - in - Colors, and unlimited coinage thereof, at the present ratio of 16 to 1

Second. We are radically and in photography. A beautiful pres- unalterably opposed to the Nationent for the holidays.
